### Advanced / Apprenticeship Opportunity

**Information Technology - Desktop and Infrastructure**

An exciting opportunity has arisen for a motivated and enthusiastic apprentice to join our successful and growing company in Winfrith, Dorset. ATLAS ELEKTRONIK UK together with its subsidiaries, is a technological leader in many sectors and has an excellent reputation. We have unique and unrivalled domain knowledge in weapon handling, mine-hunting, naval weapons and combat systems.

ATLAS ELEKTRONIK UK is looking to employ an apprentice who is keen to progress and who has a real passion and desire to understand our business domain.

The apprentice will be an integral part of the IT Department.

You will be given guidance and mentoring to develop your skills in supporting a range of tasks.

The **Apprentice** under supervision and assistance will learn how to conduct the following tasks:

- Supporting users with IT desktop issues
- Review and logging of AEUK user issues on the helpdesk system and resolving them.
- Break fix and upgrades to systems as required supporting other IT staff.
- Building desktop computers using SCCM or other means as appropriate.
- Support of the AEUK VoIP system and desk phones
- Provide Service desk cover when necessary
- Completing and reporting on any assigned project related activities
- Where appropriate, document new processes and procedures in line with duties and look for improvements

**What we are looking for in you:**

- Microsoft Windows 10 Desktop operating systems + PC build hardware
- Networking knowledge (including IP addressing / Subnetting and Routing)
- Customer service skills
- Professional behaviour in front of AEUK IT customers communicating with them effectively
- Minimum of 5 GCSE's, or equivalent, at Grade A* - C including English, Maths and a Science or Engineering related subject. Applications from A Level candidates will also be welcomed for higher level apprenticeships.

**More Information**

Apprentice intake planned for Summer 2020.

The successful candidate must be able to achieve full SC (Security Clearance).

**How to apply**

Please forward your CV and a covering letter explaining why you are suitable for the post to recruitment@uk.atlas-elektronik.com by the closing date and state the job title in the subject line.

Due to the nature of our work and the projects you will be working on, all candidates must be eligible to gain security clearance.

ATLAS ELEKTRONIK UK Ltd is an Equal Opportunities employer and welcomes applications for all posts from suitably qualified people regardless of age, disability, ethnicity, gender, marital status, sexual orientation, religion or belief.

Only successful applicants will be contacted.
